

Sermon Notes:

Theme: Time to Connect (Use Time Wisely)

Title: The 24 -7 Lifestyle (Ephesians 5:15-20)

SUMMARY: Scripture tells us that we need to be careful with our time. Intentional wise use of time is a spiritual discipline that requires our attention. Contrast between wise and foolish use of time seems to narrow when we when we begin to make our to do list and add dates to our calendars. What are the time bandits in your life? How can we make the most of our time?

1. People say, "There are not enough hours in the day" or " I just don't have the time."
2. The Scripture (Bible) treats time with great seriousness.
3. We are taught in the Christian faith community that we are stewards or managers of time.
4. In the Christian faith community stewardship or management of time is a spiritual matter that requires our attention.
5. We fear being excluded or included from any sight, sound, taste, smell, or touch.
6. Allow these moments to impact your concepts of time a new way.
